1.0 PURPOSE

1.1 This procedure has been established to provide a method for Top Management to review the Quality Management System (QMS) at suitable intervals. These reviews are undertaken to ensure the continuing suitability and effectiveness of the QMS in satisfying:

- 1.1.1 The objectives and policy of the company;
- 1.1.2 The Customers' and interested parties' expectations and needs; and
- 1.1.3 The requirements of ISO 9001:2015.

2.0 SCOPE

2.1 The scope of this procedure includes all activities of the company as they pertain to the QMS and are applicable for review by the Top Management.

3.0 DEFINITIONS

3.1 **Top Management:** the person or group of people who directs and controls an organization at the highest level.

4.0 RESPONSIBILITY

4.1 **Top Management:** is responsible for reviewing the results of internal audits, performance results, corrective and preventative actions. Top Management is also responsible for acting on results that show an ineffective QMS.

4.2 **Quality Assurance:** is responsible for reporting to Top Management on the performance of the QMS, drafting the agenda, ensuring timely management review, preparation and circulation of minutes of meetings and follow-up of actions decided in the meeting. Quality Assurance shall organize the Management Review meeting and prepare the output for review.

4.3 **Department Managers:** Each Department Manager is responsible for preparing their own portion of management review pursuant to the Management Agenda and sending to Quality Assurance by the deadline given.

5.0 PROCEDURE

5.1 Top Management reviews the QMS in order to:

- 5.1.1 Assess its continuing suitability;
- 5.1.2 Assess its adequacy and effectiveness;
- 5.1.3 Identify any opportunities for improvement and any needed changes including those to the QMS policy and quality objectives; and
- 5.1.4 Evaluate the effectiveness of any actions taken for risks and opportunities.
- 5.2 Department Managers and the Quality Specialist report to Top Management on the performance of the QMS in achieving the stated QMS Objectives before the management review meeting as a basis for review and improvement in the QMS. This report is prepared based on information received from all department managers for system effectiveness.
- 5.3 The CEO or his representative chairs the meeting, which is attended by Top Management. Quality Assurance ensures that the review meeting is held twice a year (June and December) and when the need for it arises.
- 5.4 **Inputs Required for Management Review Meetings:**
 - 5.4.1 The status of actions from previous management reviews.
 - 5.4.2 Changes in external and internal issues that are relevant to the QMS.
 - 5.4.3 Information on the performance and effectiveness of the QMS, including trends in:
 - A. Customer satisfaction and feedback from relevant interested parties;
 - B. The extent to which quality objectives have been met;
 - C. Process performance and conformity of products and services;
 - D. Nonconformities and corrective actions;
 - E. Monitoring and measurement results;
 - F. Audit results;
 - G. The performance of external providers;
 - H. The adequacy of resources;
 - I. The effectiveness of actions taken to address risks and opportunities; and
 - J. Opportunities for improvement.
